Business Club Ikeja 2024 Investiture Ceremony

THE NATIONAL ANTHEM

Nigeria, we hail thee,
Our own dear native land,
Though tribe and tongue may differ,
In brotherhood, we stand,
Nigerians all, and proud to serve
Our sovereign Motherland.
Our flag shall be a symbol
That truth and justice reign,
In peace or battle honored,
And this we count as gain,
To hand on to our children
A banner without stain.
O God of all creation,
Grant this our one request,
Help us to build a nation
Where no man is oppressed,
And so with peace and plenty
Nigeria may be blessed.

THE NATIONAL PLEDGE

I pledge to Nigeria my country
To be faithful loyal and honest
To serve Nigeria with all my strength
To defend her unity
And uphold her honor and glory
So help me God

I am truly honoured to follow in the footsteps of the founding fathers and successive presidents and be part of a lineage that has left an indelible mark in the corporate space and organisations such as BCI.

The Business Club Ikeja is a premium business network of committed professionals which was established in the year 1991 and has enjoyed quality leadership under the umbrella of Chief Chris Christopher Kolade (CON), the pioneer president in 1991, Chief Fred Okunola, Chief Samuel Bolarinde, Chief Gbenga Akinnawo, Mr Bunmi Oni (MON), Mazi Sam I. Ohuabunwa (MON), Mr J.D. Lawuyi (MON), Mrs Olusola Popoola, (the only female President so far) Mr A. Thompson, Mr. M.J. Yinusa, Mr Ayo Owoborode, Dr Dele Makanjuola, Alhaji Sulaimon I Tella, Prof. Rotimi Oladele, Mr. Adeleke Odude, and the immediate past president, Chief Tajudeen Akande. These leaders' collective achievements fill us with pride and inspire us to continue this legacy with integrity, dedication, and passion.

BCI's vision is "to be the Best Club in Ikeja District promoting Intellectual, Social, and Business Development Opportunities."

As we embark on this new chapter together, let us not forget the values that define us and the goals that unite us. Our business club is not just a place for networking but a community that shares a common vision to make a difference. We have continued to innovate, adapt, and grow in the face of challenges and uncertainties. The spirit of entrepreneurship and collaboration, which is deeply rooted in each of us, drives us to new heights of success. Our unity and dedication are the pillars of our strength, and I am proud to be a part of such a noble endeavour.

The Ikeja Business Club is not just a name; it's a platform for networking, knowledge sharing, and collaboration. It is where ideas are born, partnerships are forged, and dreams are realised. Membership in the Business Club Ikeja is open to companies in the Ikeja business district and neighbouring environments, and we invite you to experience the practical benefits of this platform. We value your unique perspectives and contributions.

PROGRAMS

Our Programs are as follows:

1. Business Luncheon: Quarterly

This is our flagship public event, where we discuss topical issues. It takes the format of a guest speaker or round table panel discussion. This is open to sponsorship/hosting by members or companies, and they can showcase their products as sponsors/hosts.

2. Members' Evening: Monthly

This was designed to bring club members and guests together monthly for interaction and networking. It takes the format of a guest speaker and a question-and-answer session, followed by a cocktail. The time is 5:30 p.m. to 7:30 p.m. This is also open to sponsorship.

3. Happy Hour: (Thursdays bi-monthly)

This informal social gathering is where members and guests come together to relax. This allows members to dine together other than at corporate event gatherings. This takes place at the gazebo behind the clubhouse. This does not preclude members from coming in with their guests as frequently as they wish.

4. Mini Trade Fair

This is at least once a year, but we intend to have more than one this tenure by God's grace. Usually, member companies showcase their products and services, creating awareness and market penetration. We plan to make it more prominent and more visible.

5. Annual Dinner/Dance: (December/January)

This is an annual event where members and guests, along with our family members and friends, celebrate. I am thrilled about the activities lined up and the opportunities that lie ahead for us. Together, we can achieve great things and create a lasting legacy that will inspire present and future generations. I now use this opportunity to invite us to participate actively and volunteer in the club's activities. This is not just an invitation to contribute but also a significant opportunity for your personal and corporate growth and development. By getting involved, you can expand your network, enhance your skills, and make a real impact. I can walk fast alone, but we can walk far together. Please join me in taking our business club to greater heights.

This council solicits members' participation in all our programs and activities. We need to increase the club's membership as a priority, and we shall achieve this through the collaboration of existing members and our innovative programs.

BCI FACILITIES

Our Facilities are also available for members and the general public

BCI Fitness/Wellness Center

The Fitness/Wellness Centre was established to promote members' and their employees' health and physical well-being. The alarming rate of stress-related deaths among executives and other poor physical health conditions necessitate the importance of having a Wellness Centre situated in the heart of the Business District in Ikeja. We look forward to collaborating with neighbouring businesses and organisations regarding their use of the BCI fitness/wellness centre.

Hall: This hall is available for rental to member and non-member companies for training and corporate/social events.

Conference Hall: This is available for Board and Corporate meetings.

Office Space: We have comfortable mini office spaces to hold meetings or work in instead of working from home.

Gazebo: The gazebo is available for outdoor get-togethers, events and time-outs.

Open Space: The Club has open space where you can erect your tents for social events.

Please see the admin office for more details.

In closing, I want to express my deep gratitude for your trust and confidence in me as your Honorary President. I look forward to working with each of you, harnessing our collective strengths and talents, to achieve our shared vision. Together, we shall make a difference and grow as a strong and prosperous business community.

Thankyou.
